PROBATION OF STUDENTS

Any student who has been involved in an infraction of school rules may be placed on behavioral probation by the school principal, or principal's designee in addition to, or in lieu of, other disciplinary action. Probation will be for a definite time period during which critical examination and evaluation of the student's progress should take place.

During the probation period, the student may be denied the privilege of participation in or attendance at all extracurricular activities. At the close of the probationary period, the individual case will be reviewed and the student may regain all privileges.

If the student is further involved in an infraction of school rules during the probationary period, the student will be suspended or denied certain extracurricular privileges under the stipulations set forth in the probationary agreement.

The parent will be notified by the principal or principal's designee that the student is being placed on behavioral probation, including the length of the period, the terms of the probation, and the possibility of suspension if the student is found in further violation of school rules during probation.

The student may be placed on probation to an administrator, teacher, or counselor, with the selection of administrator, teacher or counselor to be by mutual consent of the student and the staff member involved. If consent cannot be reached, the student will be placed on probation to a school administrator appointed by the principal.

The student will be removed from probation if, at the completion of the probationary period, satisfactory adjustment has been made as agreed upon by the student, the staff member overseeing the student during probation, and the school's administrative staff.
