COMMENCEMENT

Students who have met the requirements for graduation will be allowed to participate in the commencement proceedings provided they abide by the proceedings organized by the school district. It shall be the responsibility of the principal to solicit input from each graduating class regarding the proceedings for their commencement.

Failure of a student to participate in commencement will not be a reason for withholding the student's final progress report or diploma certifying the student's completion of high school.

Any student who has not met the requirements for graduation by set deadline, but have made arrangements with administration, may participate in commencement but will not receive a signed diploma until all requirements have been met.
