STUDENT TRANSPORTATION

Students living more than four miles from their designated school attendance centers shall be entitled to transportation to and from their attendance center at the expense of the school district. The Elba Public School District will provide transportation to students living outside of the Elba village limits. For safety reasons, those in the village that live west of Highway 11 will be provided transportation.

Parents of students who live where transportation by bus is impracticable or unavailable may be required to furnish transportation to and from the designated attendance center at the expense of the school district. Those parents who transport their children at the expense of the school district shall be reimbursed in accordance with state statute.

A student may be required, at the board's discretion, to meet a school vehicle without reimbursement up to three-fourths of a mile. The board may require the parent to transport their children up to two miles to connect with school bus vehicles at the expense of the school district when conditions deem it advisable. It shall be within the discretion of the board to determine such conditions.
